Meals and dietary requirements

Please provide a warm meal for each musician and crew member after load-in, with at least one vegetarian option and clear allergen information available on request.

Drinks and refreshments

Please provide still and sparkling water, coffee, tea, and a small selection of soft drinks in the dressing room from arrival until departure.

Dressing room

A clean, private dressing room for the group is appreciated, with seating, mirrors, nearby restrooms, and access from approximately 90 minutes before showtime.

Parking and load-in / load-out

Please reserve a nearby loading area and practical parking for at least one vehicle during load-in, show time, and load-out.

Guest list and complimentary tickets

If applicable, we kindly request a small guest list and agreed complimentary tickets. Final names can be shared with production in advance.
